

SERVICES FOR CORPORATE OPERATORS

Actio is a boutique consulting firm focused on taming costs and improving EBITDA by analyzing current sourcing and vendor spend, with an emphasis on unlocking value from fixed assets.

Actio collaborates with investors, board members, and company executives to proactively manage cost and drive EBITDA improvement initiatives.

- ▶ *Rightsize your industrial footprint amid supply chain disruptions.*
- ▶ *Address changing corporate space.*
- ▶ *Monetize underutilized assets.*
- ▶ *Optimize global supply chains.*

Our Expertise

Monetization

Uncover untapped potential to monetize your balance sheet.

Comprehensive Cost Assessment

Conduct detailed payables review and contract audits to identify inefficiencies and cost-saving opportunities across third party vendor spend.

Cost Takeout Modeling

Develop robust financial models and forecasts that integrate cost reduction strategies, providing clarity on potential EBITDA improvements.

Increased Value

Manage real estate portfolio as a strategic asset.

Our focus is not on any single transaction. We strive to drive the best possible outcome for your business.

About Us

Our team is comprised of ground-breaking thought leaders with deep experience.

With the value we deliver, our clients retain us for 10+ years, on average.
